CHECKLIST

Prior to dropping your dog with us, its always a good idea to make sure you have everything with you as we do not want to refuse entry of your dog; therefore, we have listed below the items to stop this from happening. The items below in bold are absolutely musts!!!!

- Check vaccinations cards prior to drop off, to make sure they are up to date and the Kennel cough vaccine has been given (**2 weeks minimum prior to boarding**). The card will remain on site throughout the duration of your dog's stay with us. **NO VACCINATION CARD, NO ENTRY**
- **Booking Form** must be completed and the **Terms & Conditions** form read and signed. These forms are available from our office or can be printed off from our website at home. If printed at home, then it they can be brought at time of Drop Off.
- **Final Balance Payment** is to be paid on drop off and **NOT** when you collect your dog. If not already paid in full when the deposit of 50% was made at time of booking. We accept all major credit/debit cards, cheque or cash.
- **Dog food** must be brought unless you wish for us to feed (at an additional cost of £2.50 per dog, per day). We prefer your own dog food to be brought as a change in diet can give your dog an upset stomach.
- **Belongings** that can be brought with your dog are: Bedding (Old blankets/Towels, or own bed, but it must fit into a Domestic Washing Machine in case it gets dirty or soiled), Treats and 1 Favourite Toy **ONLY**
- We do dog bathing at the kennels, so if you require this service we ask that you book this when booking your dog/s boarding or on drop-off. You do NOT need to be boarding with us, to use this service!!!!. Your dog's ears and nails can be tended to and the bedding will be washed. Payment is to be paid in **CASH ONLY**.
