## CHECKLIST

Prior to dropping your dog with us, it's always a good idea to make sure you have everything with you as we do not want to refuse entry of your dog; therefore we have listed below the items to stop this from happening. The items below in bold are absolute musts!!!!

1. Check Vaccinations cards prior to drop off, to make sure they are up **to date** and the **Kennel Cough** vaccine has been given. This card will remain on site throughout the duration of your dogs stay with us. **No Vaccination Card, No Entry!!!!**
2. **Booking Form** must be completed and the **Terms & Conditions** form read and signed. These forms are available from our office or can be printed off from our website at home. They can be completed at home or at the kennels on drop off.
3. **Final balance payment** is to be paid on drop off and not when you pick up your dog, if not already paid in full when the deposit of 50% was made at time of booking. We accept all major credit/debit cards, cheque or cash.
4. **Dog food**, blankets, toys and treats can be brought. We prefer you bring your own food as a change in diet can give your dog an upset stomach and it can be stressful as it is being away from home!!!! We do supply food at an extra £2.50 per dog per day. We only supply Beta products. We also have our own bowls, unless you prefer your dog to have theirs?
5. We have a qualified Dog Groomer based at the kennels, so if you require this service we ask that you book this when booking your dogs boarding. **You do not need to board your dog to use this service!!!!** We do ask that if your dog is boarding with us, then you state which pick up time you will be using AM or PM. By giving this information we can ensure your dog is ready for when you arrive. Also, we require your dog to be fully vaccinated and to bring the vaccination card with you as it will have to remain on site whilst he/she is in the kennel. Payment accepted is **CASH only**.
